

SCRUBTEC 337.2

# SCRUBTEC 337.2 for impressive productivity despite small profile

You can easily and quickly remove the tanks and fill, drain and clean them away from the machine.

The onboard battery charger gives quick access to charging when needed.

The compact design and foldable handle make SCRUBTEC 337.2 easy to transport and store, even where space is limited.

The brush and squeegee blades can be easily removed, cleaned and changed without the use of tools.

- Ideally suited for:
- Car dealerships and showrooms
  - Gas stations and small shops
  - Garages

# Exceptional maneuverability increases your productivity

SCRUBTEC 337.2 is designed for you to save precious time, energy and money, and still get superb cleaning results.

SCRUBTEC 337.2 can easily scrub and dry even the most inaccessible places, behind shelves, between tables,

## Saving time and efforts

- Low noise level for daytime cleaning and noise-sensitive areas
- Intuitive controls and adjustable handle for easy and ergonomic operation

## Improved productivity and maneuverability

- Cleans in all direction thanks to the unique rotating deck, even back wards
- The outstanding down pressure provides excellent scrubbing performance
- The easily adjustable deck gives perfect traction control
- Large suction hose giving high suction performance leaving dry floors

exhibition items such as cars and equipment, etc.

The reason? SCRUBTEC 337.2 is equipped with a rotating deck and integrated squeegee enabling it to scrub and dry in all directions both forward and backward with the water kept inside while working.

## Easy handling and maintenance

- Patent Elastic Strap System to easy remove and install squeegee blades, no tools required
- The rotary switch with 3 different working settings makes it very easy to use
- Easy to maneuver thanks to the compact size and large back wheels
- Intuitive controls and adjustable handle for easy and ergonomic operation
- So easy to use virtually no operator training necessary

## Saving costs

- Adjustable water flow saves money and environment
- Increased efficiency, simple do-it-yourself maintenance procedures and less downtime saves cost and increases productivity

Easy to use control panel with three operating-mode options.

Foldable and adjustable handle makes transport and storage easy.

Onboard battery charger is standard.

Non marking PU rear wheels

Patent Elastic Strap System to easily install and remove the standard PU squeegee blades

The clear lid gives better control of usage and is easy to remove and clean.

Easy and simple adjustment of the deck angle for more effective brush assistance and cleaning.

Rotating deck concept with integrated squeegee for forward or backward scrubbing and drying.

# SCRUBTEC 337.2 - the obvious choice for your business

- Low noise level for daytime cleaning, even in noise-sensitive areas
- Easy adjustable deck for a perfect traction control
- Easy, ergonomic and effortless to use with almost no operator training necessary
- Adjustable water flow
- Fast and simple maintenance since all components are easily accessible
- Clear recovery lid for easy inspection and function control
- Ergonomic, adjustable and foldable handle for easy transport and storage
- Extremely compact
- Roller bumpers for near to wall cleaning
- Real two tank system in one tank
- Large carrying handle for easy empty and refill
- Patent Elastic Strap System to easily install and remove squeegee blades
- Battery level indicator

## TECHNICAL SPECIFICATIONS

Description	SCRUBTEC 337.2
Item no.	9087343020
Cleaning width (mm)	370
Squeegee width (mm)	470
Theoretical surface performance (m <sup>2</sup> /h)	1480/890
Working speed (km/h)	4
Tank capacity solution / recovery (l)	11/12
Power source, battery (V)	12
Brush pressure (k)	27
Brush motor (W)	260
Brush speed (RPM)	120
Vacuum motor power (W)	200
Traction motor (W)	Brush assist
Dimensions L x W x H	730 x 470 x 550
Weight (kg)	75
<b>Features:</b>	
Battery version	•
On-board charger	•
Automatic brush shut off	
Automatic solution shut off	
Elastic strap squeegee blades system	
<b>Standard equipment:</b>	
Squeegee blade	9100000077
Battery 12 V, 55 Ah, maintenance free	9098977000
On-board charger	9099999000
